Will you be a "Lifesaver" this summer?

# Be a "Lifesaver" for Port Chester kids and give them a Summer "Camp-like" experience they'll never forget!

Many of the girls and boys who attend our Salesian Sisters' **Lifesavers Summer Program** in Port Chester come from difficult circumstances. Here's a story of one of our "campers," whom we will call Natalia:

"Last summer I was blessed to be part of the LifeSavers Summer Program. Our Mom works two jobs and can't afford to send me to a fancy camp. LifeSavers was so much better than sitting around the apartment with my brother! We had a great time with the other kids, saw a show in New York City, and took a yummy Italian cooking class. Every day we were doing Science and Math, and it was so much fun to program our own robots and make movies. I became better at writing and love reading more than before.

"Everyone thought it was great and we all hope to come back this summer. Kind people made it possible for us to have a fun summer last year, and I hope we can do it again! **Will you please be our Lifesaver this summer?"**

Like Natalia, we care for underserved children who need a refuge from the hot and humid summer streets.

Your gift of \$150 delivers a week of exciting enrichment experiences, recreation, trips, and meals to a deserving child. Most importantly, our “campers” enjoy fun-filled academic opportunities like learning to make their own video game, robotics, fine arts, and exploring and researching the Hudson River shoreline.

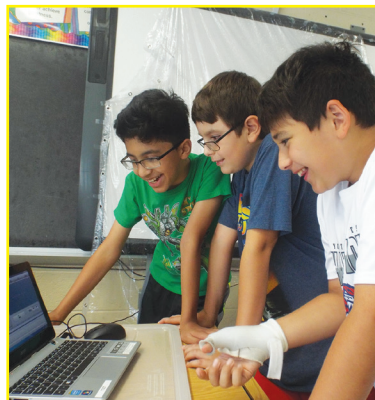

Please give the gift of making new friends, laughter, green grass – a chance to play, learn, and have fun.

Thank you for being our “Lifesaver” and helping to make a real difference for Natalia, her brother, and so many other boys and girls in Port Chester this summer.

Gratefully,

**Sr. Lise Parent, FMA**
