

School Mission Statement of the Salesian Sisters

Our ministries exist for the integral Catholic education of youth, especially those of the working class, developing their potential as good Christians and honest citizens. This education is carried out in a family spirit, utilizing the principles of reason, religion and loving kindness as taught by St. John Bosco and St. Mary Mazzarello.

Philosophy and Goals

Corpus Christi-Holy Rosary School endorses the call of the Catholic Bishops of the United States to express its educational ministry through the three objectives: personal spirituality, social justice, and a strong academic program in accord with Christian values. This commitment extends to building Christian community and to fostering Christian service to the whole human family.

Academic Policies

Academic Expectations

The school expects students to perform to the best of their ability. Teachers are expected to evaluate student progress on a regular basis. Students will be given quizzes or tests regularly. After the test is graded, it will be sent home for the parent to review and sign. Parent signature indicates that the parent is aware of the student's progress. If a parent does not receive quizzes or tests to sign, the parent should contact the teacher.

Grades and Grading

Report cards are distributed four times a year for Grades K to 8. PreK report cards are distributed two times a year. The report card is a link between the school and the home.

Academic Achievement

The first part of the Archdiocesan Report Card is used to mark the student's achievement in academic subjects.

The achievement mark in each quarter is based upon the demonstration of mastery of material covered in class such as:

1. tests
2. quizzes
3. classwork/participation
4. homework
5. projects/portfolios

There are no grades for Computer Science or Library as these two areas are to be supportive of, and integrated into, the total learning process.

Foreign Language will be given a letter grade if the class meets for less than 120 minutes per week. Foreign Language will be given a numerical grade only if the class meets for more than 120 minutes per week.

The Final Report Card grade is the weighted average of the four previous quarter grades, and the mid-year and end-year tests (for Grades 3-4 in ELA, Math and Religion; for Grades 5-8 in all subjects). This Final Grade will be recorded on the student’s permanent record.

- Numerical marks are recorded on report cards for Grades 1– 8.
- Passing is any mark 70% or above or any mark of D or higher.

Parents should be informed in a timely manner in the event of a student who is not satisfactorily performing in a course or activity.

Character Development

The Conduct and General Effort Scale indicates grades for General Effort and Character Development. A single letter grade is used with check marks indicating improvement needed in any sub-category.

The “Conduct Grade” indicates that the student:

1. follows class and school rules
2. shows care in the use of personal property
3. treats teachers with respect
4. treats other students with respect
5. exercises self-control
6. listens attentively
7. uses technology appropriately

Conduct Grade	Number of Checkmarks
A	0
B	1 or 2
C	3
D	4
F	5 or more

Honor Roll

The Honor Roll is a very special recognition for academic achievement for students in grades 4 to 8. It is based on the total grade average. Major Subject areas are Religion, Language Arts, Math, Science and Social Studies. Students must have at least a Satisfactory grade in all minor subject areas.

Good conduct is a requirement to receive First or Second Honors. Therefore, a student must receive an A (excellent) or B (good) in conduct to be eligible for honors. A student who does not receive an A or B in Conduct will not receive Honors even though marks might warrant it.

Grades 4 - 8	Principal's List	95% average; no mark below 90% in subjects
	First Honors	90% average; no mark below 85% in every subject
	Second Honors	85% average; no mark below 80% in every subject
	Honorable Mention	Consistent effort and focus on improvement

Graduation

At the discretion of the principal, each school has the right not to certify the student's graduation or provide transcripts of the student's academic record to third parties such as other schools, colleges, or employers, or to issue a diploma to the student, if there has been a breach of a material condition of the contract (i.e., failure to meet financial obligations, infractions against the school's code of conduct).

Homework

Homework is an essential part of the instructional program and reinforces learning. It serves as a means for clarifying and reviewing material learned in class, for providing motivation and opportunity for individual growth, and for creating experiences of in-depth study and supplementary reading.

The time allotments for homework (written and study) are as follows:

Grades Pre-K & K	approximately 15 minutes
Grades 1 & 2	approximately 30 minutes
Grades 3 & 4	approximately 45 minutes
Grades 5 & 6	approximately 90 minutes
Grades 7 & 8	approximately 120 minutes

Students are required to complete all homework and it is expected that parents or guardians sign the completed homework.

Report Card Distribution

Report cards are distributed in November, January, April, and June. Report cards will be withheld if financial obligations have not been met and fees are outstanding.

Final report cards may not be given before the assigned date of June 19, 2014. In the event that a student will leave school prior to the last day in June and all financial obligations have been met, the student may give the teacher a self-addressed stamped envelope and the report card can be mailed the last day of school.

Retention/Promotion

Very few decisions we make about children are more important than recommendations to promote or to retain a student. Most students will be able to follow the school's regular program of sequential learning objectives. If the student successfully achieves the year's objectives, the student progresses to the next grade.

Testing, diagnosis, and actual performance, however, may indicate that some students cannot follow the school's complete course of study. Therefore, the decision to retain a student indicates that although the school has done everything to help the student achieve success, the student has not made satisfactory progress.

The final decision to promote or retain a student is made by the principal, based on the student's academic performance and best interests. It should be made after discussion with the parent, teacher, and student.

This table indicates the specific failures by grade level that might result in retention at the grade level:

LEVEL	ACADEMIC PERFORMANCE
Kindergarten	Evidence that the child is immature and not meeting program expectations
Grade 1	Evidence of developmental immaturity and a failure in reading
Grade 2	Failure in reading
Grade 3	Failures in reading and mathematics
Grade 4, 5, 6	Failures in reading and mathematics, or Failures in reading or mathematics and failures in two of the following subjects: religion, science, social studies, and language arts
Grade 7,8	Failures in reading and mathematics or Failures in reading and language arts or Failures in reading or mathematics or language arts and failure in one of the following subjects: religion, science, social studies

Assessments

In addition to class and school exams, every student will take part in the Archdiocesan testing program which includes the Archdiocesan religion test, interim assessments, and New York State Education Department assessments.

Archdiocesan Test (will be used as the student's End-Year Examination)

Religion Test	Grade 3 to 8	June
---------------	--------------	------

Archdiocesan-Approved Standardized Assessment: Administered once a year in the spring

Grades K-2	Standardized Assessment
------------	-------------------------

Interim Assessments: Administered two times a year

Grades K-8	Interim Assessments
------------	---------------------

New York State Tests

Grades 3-8	English Language Arts and Mathematics
------------	---------------------------------------

The faculty of the school reviews these test results regularly for the purpose of promotion or retention in conjunction with classroom performance and grouping for reading and math.

Accidents

A student accident insurance fee is added to every child’s book bill. In the event of an accident at school you may obtain a claim form from the office.

Please note that the school accident insurance usually is secondary to the parent’s own medical insurance coverage.

Admission Policies

Roman Catholic Schools in the Archdiocese of New York base their educational purpose and all their activities on the Christian teaching of the essential equality of all persons as rooted in God’s love.

Thus, with discrimination so repugnant to their nature and mission, Catholic Schools in this Archdiocese do not discriminate on the basis of race, color, national and ethnic origin, and gender in administration of educational policies, admission policies, scholarship and loan programs, and athletic and other school administered programs.

This policy is subscribed to by all Catholic elementary and secondary schools in the Archdiocese of New York whether owned or operated by the Archdiocese, the parishes of the Archdiocese, Catholic School Regions, or religious communities within the Archdiocese.

The process for admission to the school is: parents must complete the school application form and provide all required documents. Following an interview and evaluation of the materials, the parent will be notified in writing about the status of the child.

The school gives preference in admission first, to siblings of currently enrolled students; second, to Catholic students whose parents are active members of the parish, or if a regional school, active in a parish in the region; third, to Catholic students whose parents are active in another Catholic parish or, if a regional school, active in a parish outside the region; and fourth, to non-Catholic students.

After School Program

An after school program is available to parents. As long as a student is engaged in school sponsored programs or activities, the student is expected to follow school policy. Directors of individual

activities may also issue rules of behavior, which recognize the special nature of non-classroom activities. In instances where students are picked up, parents are expected to make arrangements to pick up their children at the end of the program or activity. Students will be released only to a parent or a person specified IN WRITING by the parent.

Announcements

Informational announcements are handled through the school P.A. Courteous attention is expected when any message is presented over the P.A. system, especially when prayers are said. All announcements must be written and brought to the office and approved by the principal.

Attendance

Excused Absence: A child is legally absent from school for the following reasons: sickness, sickness or death in the family, impassable roads or extreme weather; all other absences are unexcused.

Lateness: A child should come to school even though he/she may be late. All lateness is recorded and marked on the report card. Parents will be consulted about chronic lateness, and the child may be required to make up time missed.

When the child returns to school, a completed absence form must be given to the teacher. (See Appendix) This form is distributed at the beginning of the school year and contains appropriate spaces for the child's name, date of absence, class, reason for absence, and the signature of a parent or guardian.

Doctor or dental appointments should be scheduled for after school or on Saturdays. Family vacations are not to be planned for those days when school is in session. The school provides families with an annual calendar to insure that does not happen. If it is necessary for a child to be dismissed during the school day, the parent or adult chosen by the parent MUST come to the school for the child. The school must be informed ahead of time about such occurrences.

When a child is absent, parents are required to phone the school by 9:00 A.M. Absence notes are still required in addition to the phone call.

Birthday Parties

After prior communication and arrangement with the teacher, parents may bring small individual items such as cupcakes, brownies, etc.... to be distributed at the teacher's discretion. Parents may not bring in favors or 'goodie' bags for the students. *Teachers must be particularly careful of students in the class with food allergies.*

Books

All other resource materials chosen for use in academic courses must be consistent with the religious nature of our schools. Books, DVDs, or other electronic-based supplementary resources that contain profanity, inappropriate sexual references, and other immoral information would be in violation of this policy.

All books must be properly covered. Contact paper is NOT to be used to cover any books obtained under N.Y.S. Textbook Loan. These books are stamped on the inside front cover. Each child is responsible for keeping his/her books in good condition. Books that are lost or defaced become the liability of the student and his/her parents. If a book is lost or defaced, the school will bill the parents for the cost.

1. **ASSIGNED TEXTBOOKS:** When a textbook is lent to a pupil on a semi-permanent basis, the New York State Department of Education requires that:
 - the pupil's name be placed in the space provided in each book
 - the teacher make a record of the number of the book
 - the teacher make a record of the condition of the book
 - in September, each child will put a clean cover on each textbook received
 - in June, all textbooks are collected, extra materials and covers are removed
 - all workbooks are collected in June
2. **SUPPLEMENTARY BOOKS:** When books are handed out to the children for use during a specific period within the classroom, they will be immediately collected after they have been read. If the book is to remain with the children for any length of time, his/her name must appear in the book and the teacher should have a record of this.
3. **LIBRARY BOOKS:** Books may be borrowed for two weeks. Books are charged to the child so that he/she will have the experience of signing out a library book and abiding by due dates. If books are returned late, there will be a five cents fine per day per book, payable by the child. All lost library books must be paid for so that the school can purchase an additional copy. If the book is located after a new order is placed, the child will be allowed to keep the old book since he/she has paid for it.

Buses

Busing is provided within a 15-mile limit to students from their residence. The public school district where the student resides provides this service. If a student is to take a different bus from school, a note must be submitted to the principal at the beginning of the school day.

Students and parents should consider riding on the school bus as a privilege and an extension of the school. Thus, students are to demonstrate a respectful, Christian, and safety-conscious attitude at all times on the bus.

- Students should obey the driver and monitors at all times.
- Students should do nothing to cause annoyances or distraction to the driver, as this places the safety of all in danger.
- In cases of extreme or persistent misbehavior, school will work in consultation with the public school district about possible consequences.

Change of Address, E-mail, Phone

The office must be informed immediately if there is a change of home address, email address, cell phone number, or home telephone number for purposes of mailing and/or emergency notification.

Charter for the Protection of Children and Young People

All institutions and programs of the Archdiocese will comply with the Safe Environment Policies of the Archdiocese.

The Department of Education has developed a curriculum for the children in our parishes and schools entitled "Right, Safe, Good Relationships" which provides age-appropriate instruction in child sexual abuse. The lessons in this curriculum must be given annually to all children in all grades.

Parents reserve the right to remove their children from the classes. The school administration should take care to cause as little embarrassment of students as possible.

If parents choose not to have their child participate in the safe environment classes, the parents will be offered training materials, and will be asked to sign a form acknowledging that the materials were made available to them. This form will be maintained in the records of the school. If the parents decline to sign such a form, a notation of this will be made in a record maintained by the school.

Child Abuse Laws

Under NYS law, school personnel are legally obliged to report any suspected cases of child abuse or neglect to the proper agency. In so reporting, no allegation is made against a parent or caregiver. Rather, it is a judgment by the school that the child may be presenting signs of abuse or neglect.

Child Custody

At the time of school entry or at any other time where a change in custody status/arrangements occurs, it is the responsibility of the parent(s) to provide the principal a copy of the legal document from the parent for any student for which there is a legal custody agreement or for any student not residing with his/her parent.

School communication with the appropriate guardian is essential. Accordingly:

- Custodial parents must identify in writing other adults who may have access to information regarding their child.
- Non-custodial parents may receive information (when requested) regarding the child unless specific documentation to the contrary is provided in the legal custody agreement.

Non-custodial parents may pick up a child only if written permission has been granted by the custodial parent.

Communication

Since as parents you are the child's first teachers, you are our partners in education. Therefore, regular communication with you is an essential part of your child's school experience. Scheduled parent conferences allow teachers and parents to discuss student achievement as well as to develop means to assist students in areas of difficulty.

A parent may request a meeting with a teacher at any time by simply sending a note to the teacher in question and the teacher will arrange for this meeting outside class time at a mutually convenient time. The meeting should take place in the classroom or someplace that insures privacy, never in a hallway or on the street. A parent who is refused such a meeting should notify the principal.

Parent-teacher conferences will be scheduled each year in conjunction with report card distribution to provide an opportunity for in-depth discussion of student growth. Parent-teacher conferences are required at the end of the first marking period. Teachers are expected to be reasonably available to parents throughout the school year in order to keep open the lines of communication in the best interest of the students.

Confidentiality

There is a professional and moral ethic that requires all persons to safeguard all information of a privileged nature.

It is imperative that such information be regarded as a sacred trust.

- If there is evidence of knowledge that could impact on the health or safety of any person, the teacher has the responsibility to share the information with the principal.
- Under Section 423 of the Child Protective Services Act, school officials are required to report when they have reasonable cause to suspect that a child coming before them in their professional or official capacity is an abused or maltreated child. (See section on Child Abuse.)

The rules that govern privileged information apply, as well, to any personal or academic information that is discovered through daily classroom instruction or other social interaction with students, parents or peers. Always the sense of the sacred should prevail.

Contacts with the Media

Parents have the right to exclude their children from videotaping, audio recording, school pictures, other photography or participation involving printed materials or on the Internet. Parents should provide such documentation to the school office, otherwise, they must fill out the photo/video release form.

Crisis/Emergency Information

Should a crisis require evacuation from the school building, students will be brought to a safe place and parents/guardian will be instructed to meet them at that location.

Catholic schools throughout the Archdiocese of New York utilize the Immediate Response Information System (IRIS Alert) to notify parents directly about the crisis.

For further information concerning the crisis, parents can refer to the following: radio station, television, internet.

Daily Schedule

School begins at 8AM with Morning Assembly. Being on time to school is critical for a good start to the day and insertion into the academic program.

Dismissal is at 2:30PM for PreK, at 2:35PM for Kindergarten, and 2:45PM for Grades 1-8.

Before 7:30 AM and after 3:00 PM the school does not have staff available to watch out for problems on school grounds or to supervise children on school grounds. Students must not arrive on the school grounds prior to 7:30 AM and parents must arrange pickup at dismissal times.

Discipline Code for Student Conduct

Discipline Code

Parents choosing Catholic school for their children frequently cite our commitment to structure and discipline as a major reason for their investment in Catholic education. Our students are to conduct themselves at all times according to Christian principles and exhibit the values of their family, the Church, and our school community. Good classroom order and a tight school structure help to insure the safety of all children, facilitate the learning for all students, and promote self-control and self-respect in the individual child.

While most parents find our approach to discipline to be very favorable, there are instances when a child breaks a rule and must suffer the consequences of his or her action. It is then that a parent may attempt to debate the fairness of the school policy or make excuses for the child's misbehavior. The administration of this school does not engage in debates with parents about our rules and regulations, nor can it be supportive of parents who are interfering with a child's growth in accepting personal responsibility for his or her actions. By enrolling a child in this school, the parent agrees to be supportive of the rules and regulations that we deem as critical in the spiritual, academic, and behavioral growth of the child.

Teachers discipline students directly for minor classroom disruptions, for not coming prepared to class, not being in complete school uniform, for not completing assigned homework, for minor verbal disputes with other classmates, or other incidents which interfere in the teaching-learning process for the child and his or her classmates. Parents are notified by the teacher of classroom problems and are asked to help the teacher to ensure that inappropriate behavior is modified.

Teachers are not permitted to use corporal punishment on any child. Perceived acts of corporal punishment should be reported to the principal of the school immediately by students or parents.

It happens that some classroom discipline issues are referred to the administration of this school.

This would include chronic minor problems listed above or major problems such as, but not limited to, chronic lateness; the verbal abuse of the teacher by a child; signs of disrespect to a teacher or another adult on the staff; fighting; physical, sexual, or verbal harassment of a fellow student; violent behavior; stealing; vandalism; or the possession of a drug, alcohol, or a weapon. The administration handles such matters in a variety of ways depending on the severity of the incident.

The school employs a progressive discipline system for minor acts of misbehavior in order to encourage students to change inappropriate behavior so that sanctions do not increase in severity. For acts such as these, students are often given conduct referral, detention, demerits, etc.... Repeated violation of these rules and regulations may result in suspension from school or the non-re-registration of the child for the next school year.

For more serious acts of misbehavior such as fighting, stealing, vandalism, swearing at or being disrespectful to an adult in the building, and harassment, the student is immediately suspended for a period of one to five days. In cases of vandalism, the parent must pay the full cost of the repair or replacement of the item before the child may return to school. In cases of theft, the item is either returned in good condition or the cost of replacement is borne by the parent before the child can return to school.

In cases in which a child engages in a fight which causes injury to another child or adult, the police will be summoned and then the parents will be notified. Likewise, possession of drugs or alcohol by a child is reported to the police. The school reserves the right to expel such a child.

In cases in which a child brings a weapon to school, the police are summoned and the parents are called. The school reserves the right to request expulsion by the Superintendent of Schools for a child in possession of a weapon.

It is the expectation of this school that student behavior is exemplary both on and off school grounds. A student always represents his or her parents and the entire school community. Therefore, the school reserves the right to punish students for acts such as, but not necessarily limited to stealing, fighting, vandalism, harassment or any other type of threatening or inappropriate misconduct (personally, via the telephone or the Internet) and prohibited use of personal electronic devices including but not limited to cell phones, cameras, camera-phones, pda's and the like. (See also Telecommunications Policy) Such misconduct could result in any number of punishments, including the possibility of suspension and/or expulsion.

Lastly, a child's arrest for a crime on or off of school grounds, within or beyond the vicinity of the school, at any time could result in the child's suspension or expulsion. A child's conviction of a crime on or off of school grounds, within or beyond the vicinity of the school, will likely result in a child's expulsion.

Drug and Alcohol Policies

In recognition of the seriousness of drug and alcohol problems to which the children are exposed, school will follow the policy as stated below:

- if a teacher suspects that a child is under the influence of either drugs or alcohol, the matter will be referred to the principal immediately
- the principal will verify teacher observation and will notify parents, the police may be called, and parents must pick up the child immediately should it be determined that the suspicion is accurate, parents will be expected to follow the recommendations of the school principal if the child is to continue in the school

(i.e., cell phones, I-pads, I-phones, and other personal electronic devices).

Inappropriate use of any electronic device may result in serious consequences as stated in the school's Technology Use Policy (See Appendix)

Emergency Closings/Delayed Openings

The schools in the Archdiocese of New York follow the policy of local public schools when closing due to inclement weather, loss of power or other issues.

All closure decisions must be approved by the Superintendent of Schools. Schools in Westchester, Putnam and the Upper Counties that rely on public school districts for bus transportation will follow the delayed opening and/or closing policy of the local district.

Catholic schools throughout the Archdiocese of New York utilize the Immediate Response Information System (IRIS Alert) to notify parents directly about delayed openings and closures due to weather. The school will also post schedule changes on our website.

When a school in the Archdiocese is closed for the day due to inclement weather or other unforeseen situation, the following will apply:

- All school-related extracurricular activities, interscholastic contests, team practices and field trips will be cancelled
- After School and/or extended day care programs will be closed all day.

Planned early dismissals and closings are indicated on the tentative yearly calendar and the monthly calendar. Unplanned closings or delayed openings will be communicated via IRIS. Parents may also check radio WFAS 103.9 FM and 1230 AM and channel 12 TV.

Expectations and Responsibilities for Students

Students attend the school in order to develop fully their God-given talents and capabilities. To accomplish this, students are asked to:

- try to do their best work at all times
- treat all members of the school community (i.e., teachers, staff, priests, parents and students) with respect. This includes respecting the work of others by not cheating.
- obey all school rules and regulations, including those forbidding the use of drugs, alcohol, cigarettes, or disruptive behavior
- develop personal standards of conduct that reflect Christian morals and behavior, and refrain from use of inappropriate language, verbal threats, and sexual behavior (including touching, gestures, writing, and dress)

- observe the school dress code, including standards on no-uniform days

- help care for school property and keep the school free from damage and defacement

Extracurricular Activities

Students are encouraged to participate in the extracurricular activities of the school. Participation in these activities is a privilege. Students are expected to fulfill their obligations in the classroom (class work and homework). In order to participate in extracurricular activities, students must pass each subject on their report card and model acceptable behavior both during the school day and during the selected activity. Failure to meet academic or behavioral requirements will result in the student's suspension or dismissal from the activity. Participation in these activities requires a commitment of both student and parent. Attendance will be taken at each activity to determine a student's participation. In individual cases regarding participation in extracurricular activities, the principal holds the final determination.

Faculty Meetings

Faculty meetings are scheduled on first Friday of each month, unless otherwise notified. All children will be dismissed at 11:30 AM on these days or after the First Friday Mass has ended.

Field Trips

Field trips serve an educational purpose and their value should be an integral part of the school's instructional program. They broaden the students' educational experiences. Field trips are privileges given to students; no student has a right to a field trip.

It is the policy of the schools within the Archdiocese that overnight trips, trips to water parks, amusement parks, dude ranches, beaches/pools, and ski slopes are strictly prohibited.

- Field trips are designed to correlate with teaching units and to achieve curricular goals.
- Field trips vary on each grade level.
- Field trips are permissible when advanced planning, location, and the experience insure a successful learning opportunity.
- Individual teachers in consultation with the administration reserve the right to restrict or deny student participation on any field trip due to, but not limited to, poor academic performance and/or poor conduct.
- A written official permission slip, signed by the parent, is required before a child will be permitted to attend a field trip. Verbal or faxed permission cannot be accepted. Permission slips are due in the office 48 hours before the day of the trip.

Financial Policies

Tuition Schedule: Grades PreK - 8

The school's expectation at the time of registration is that all tuition and fees will be paid on time. Failure to do so could result in the suspension of a child for delinquent tuition or fees.

TUITION is due on the 15th of each month.

Tuition is remitted to SMARTuition, not to the school office. Please refer to the SMARTuition

enrollment form for payment plan options.

Tuition Delinquency

Families who are 30 days late on tuition will receive notification letters from SMART tuition. Late fees will be charged. Families who are delinquent 60 days will receive a second letter from their principal. Upon receipt of this notification, parents/guardians must contact the principal to discuss a tuition payment plan. If a parent/guardian does not contact the principal within one week of receiving the letter, the child/children may not be permitted to attend school.

Fees

All fees should be paid on time. If there are outstanding fees at the time of report card distribution, the report card will be withheld until fees are paid. Problems or difficulties involving finances must be taken up with the Pastor and/or Principal. If Pastor, please contact him at the rectory.

IMPORTANT:

In order for a family to qualify for the parishioner's tuition rate, parents must contribute to each Sunday envelope. In November, there will be a review of the Mass attendance and contributions of all parishioner families.

Families who have not been attending Mass and who have not contributed each Sunday will no longer be eligible for the parishioner rate and will be assigned a new tuition rate for non-participating families: \$6,240 for one child; \$10,400 for two children; and \$12,480 for three or more children.

Your participation in the ongoing religious, educational, and voluntary programs of our school is vital to our school and to our children. We thank you for your cooperation and the support you give to Corpus Christi Holy Rosary School.

Fundraising Activities

A. Candy Sale

Each family must participate in the annual fall Candy Sale by selling a minimum of one box of candy.

B. Raffles

Each family is asked to participate in selling the annual Spring Raffle and Carnival Raffles.

Fire Drills

Fire drills at regular intervals are required by law and are an important safety precaution. It is essential that when the fire signal is given, everyone obeys promptly and clears the building by the prescribed route as quickly as possible. Students are not permitted to talk during a fire drill and are to remain outside the building until a signal is given to return inside. Teachers will direct the students.

Guidance

A guidance program is a resource available to Corpus Christi Holy Rosary School students from grades 4 to 8 according to the guidelines of the federal grant for this program. Service may include counseling, psychological intervention and support for families experiencing change.

A counselor/social worker from ADAPP will be providing prevention services to our school. ADAPP is the school-based educational counseling/substance abuse prevention program with the Department of Education of the Archdiocese of New York. The service includes drug and alcohol prevention education, crisis intervention, as well as, group and individual educational counseling. The purpose of the program is to help the student develop positive life skills and foster healthy life choices. The ADAPP counselor will work closely with the school staff and the principal or assistant principal and is available to help parents with information and referral.

Guidelines for the Education of Non-Catholics

Parents must be made aware of the intentional Catholic witness in our schools. As a Catholic school within the Archdiocese of New York, our school has as its primary mission the formation of children in the Catholic faith.

All children will participate in total academic life of our school, including religious education. According to the norms of our Church, it is expected that non-Catholics participate as fully as they can in the liturgical and prayer life of the school.

The religious educators of our schools are committed to teaching the fullness of revelation as it is taught by the Roman Catholic Church and as the life and doctrine are set forth in the Religious Education Guidelines of the Archdiocese of New York. While our teachers value ecumenical education, and respect the traditions of other ecclesiastical communities, they always teach within the context of fidelity to the doctrine and traditions of our teaching church.

Harassment/Bullying Policies

Harassment/bullying regulations need to be grounded in the belief that all persons have a right to be treated with dignity. In a Catholic Christian environment, all demeaning behavior is unacceptable.

Corpus Christi Holy Rosary School provides a safe environment for all. Verbal, Internet, telephone, or written threats made against the physical or emotional well-being of any individual are taken seriously. Students making such threats, even in jest, face appropriate disciplinary action including detention, suspension, or expulsion. The principal investigates all complaints of harassment/bullying. Students involved in harassing/bullying behavior are subject to detention, suspension, or expulsion and where appropriate, will be referred for counseling services and/or to the local authorities. If you believe that your child is being harassed/bullied, please notify the principal immediately.

HIV/AIDS Curriculum

The Archdiocese of New York and the NYS Education Department mandate that all schools within the Archdiocese are to give age-appropriate instruction on *HIV* and *AIDS* to all students in Grades K –12. The schools within the Archdiocese use an HIV/AIDS Handbook developed and approved by the Catholic Bishops of the State of New York.

Schools under the authority of the Office of the Superintendent of Schools of the Archdiocese of New

York do not discriminate on the basis of HIV or AIDS. Students with HIV or AIDS shall not be excluded from school by reason of infection with HIV unless the following conditions are evident as determined by the student's physician and parents (or legal guardian), together with the school administration. The conditions are:

- The student is not toilet-trained or is incontinent, or unable to control drooling.
- The student is unusually physically aggressive, with a documented history of biting or harming others.
-

Illness (see Medication)

If a child has an illness or chronic medical condition it is the parent's responsibility to notify the school and to provide necessary documentation and medication. The school reserves the right to call 911 in any case of a medical emergency.

Immunizations

Students are required to have all inoculations as suggested by the Department of Health before admission to the school. It is the responsibility of the parents and their personal physician to ensure that as immunization requirements change, students are kept current in their schedule.

Please refer to the website <http://www.health.ny.gov/prevention/immunization/> for most current information.

Lateness

Student lateness interrupts the learning process for your child and all other children in that classroom. Any student arriving at school after the published opening time is considered late. If late, the student may be admitted to class only with a late pass, obtainable in the main office. Repeated lateness affects your child's ability to be on the Honor Roll and could impede your child's re-registration for the coming year.

Liturgy/Religious Education

All Catholic elementary schools will follow and adhere to current Archdiocesan policies and curriculum guidelines in religion. Students in grades 3 through 8 are required to take the annual Archdiocesan Religion Examination.

Non-Catholic students are expected to participate in the religious formation and education programs of the school, including, but not limited to, liturgies, religious functions, and religion classes for credit. Parents of non-Catholic students must be willing to accept the standards, values, and regulations of the school. They must understand the religious education program of the school at the time of enrollment.

Lunchroom

Corpus Christi-Holy Rosary School provides a hot lunch through the Archdiocesan School Nutrition program. In order to participate in a free or reduced lunch program, parents must complete a form that will be distributed in September. Criteria for eligibility is noted on the form. If your child is not eligible for a free or reduced lunch program, and you wish your child to participate in the hot lunch program, you must send lunch money to the school on a monthly basis, in an envelope marked with your child's name, your child's class, and the amount of money. The envelope must clearly state LUNCH MONEY.

In good weather, the children go directly from lunchroom to the play area; first lunch until 12:15, and second lunch until 12:55.

See page 12 for Lunchroom Rules and Procedures.

Maternity/Paternity Policies

As members of the Church committed to the preservation of life at all levels, the Catholic school must act in ways consistent with that commitment. Catholic schools, elementary as well as secondary, are faced sometimes with the situations of unwed mothers and fathers. School officials will consider carefully the consequences of any policies that are adopted. At the very minimum, students will be encouraged to finish their work and to receive grades and diplomas. The decision concerning a student's continued school attendance is made by the principal after consultation with his/her parents or guardians, and in consideration of the best interest of the student, the unborn child, and the school's educational expectations.

Medications

If a student needs any kind of medication during the school day, it is the parent/guardian's responsibility to bring the medication to the school nurse (or school office in the absence of a nurse) and kept there. A written statement from the parent or guardian requesting administration of the medication in school as ordered by the licensed prescriber is required.

Medication must be presented in a properly labeled container. Prescription medication must be in the original container. On the prescription medication the pharmacy label should display:

- student name
- name and phone number of the pharmacy
- licensed prescriber name
- date and number of refills
- name of the medication and dosage
- frequency of administration

Medication should not be transported daily to and from school. Parents should be advised to ask the pharmacist for two containers – one for home and one for school.

The school may receive a written request from a parent or physician to permit a student to carry and self administer his or her own medication. Under certain circumstances it may be necessary to do so. Such a decision will be made on a case-by-case basis and will reflect the age and maturity of the child

- severity of health care problem, particularly asthmatic or allergic conditions
- prescriber order directing the student be allowed to carry his/her medication
- written statement from parent requesting compliance with prescriber order
- student has been instructed in the procedure for self administration and can assume this responsibility
- parent contact is made to clarify parental responsibility in monitoring the child on an ongoing basis to insure the child is carrying and taking the medication as ordered.

Money

Money that is brought to school for a specific purpose (class trip, book fair, milk money, etc...) must be put into an envelope with the child's name and grade and amount. If a student does bring money

to school the money should be kept on the student's person and not left in the school bag, coat pocket, lunch box, or desk. The school cannot be responsible for lost money.

Parents as Partners

Just as the parents look to the school to provide the facilities and the trained personnel that are essential to their child's proper development, so the school looks to the parents to assume active responsibilities that cannot be delegated to others.

No school can be wholly effective in teaching the values of religion and the virtues of honesty, respect for authority, consideration for the rights and property of others, and standards of personal morality and integrity unless these principles have been established, upheld, and valued in the home. If parents cooperate with the school, instill respect for the integrity of its teachers and administration, and actively support their authority in the home, this is likely to be reflected in the positive attitudes of their children. Parents are invited and encouraged to participate in the spiritual and academic programs developed for the education of their children. The wide spectrum of this involvement includes participation in school celebrations of prayer and liturgy, volunteer work, participation in parent-teacher conferences, attendance at meetings and seminars designed to help parents assist their children at home, and active involvement in the school's parent/teacher organization.

Parents are asked to take an active role in their child's education by:

- assisting their child in his/her academic and moral development by
- carefully reviewing class work, test results, progress reports, and report cards; supervising home study; and reinforcing school policies
- explaining and reviewing periodically the school behavior code with their child. Parents should discuss school disciplinary episodes in relation to the school behavior code
- recognizing their child's talents and interests so they may be developed in cooperation with the classroom teachers
- seeing that the dress code, including gym uniform, is enforced,
- insisting that children dress according to Christian virtue
- insisting on their child's regular school attendance and punctuality and on complying with attendance rules and procedures.
- making all tuition and fee payments on time, and participating in fund-raising activities.
- providing proper supervision at home, and not tolerating harassment, inappropriate or violent behavior, or viewing of such in videos, movies, song lyrics, and on the Internet
- teaching their child respect for law, for authority, for the rights of others, and for public and private property. This includes showing respect for the work of others by not tolerating cheating in any circumstance
- arranging for a time and place for their child to complete homework assignments
- working with the school in a cooperative effort to carry out recommendations made in the best interest of their child, including those related to educational evaluations and counseling.
- attending all Parent-Teacher Conferences and Home-School Association meetings
- by always interacting in a respectful manner when speaking with or about the administration, teachers and staff of the school. Verbal abuse or physical harassment may result in your child being required to withdraw from the school immediately or not being allowed to re-register for the following year

The education of a student is a partnership between the parents and the school. Just as the parent has the right to withdraw a child if desired, the school administration reserves the right to require the withdrawal of a student if the administration determines that the partnership is irretrievably broken.

Parent Organizations

A Home-School Organization provides an effective channel of communication between parents and teachers for the benefit of the students and the whole community. Its main purposes are:

- to create mutual support and understanding between home and school, and thus bring about a total learning environment for students
- to provide a means for keeping parents informed of school activities, programs, etc., and if any, parent service requirement
- to assist the school in meeting its financial obligations, primarily through fund-raising activities
- to provide adult education programs

Re-Registration

At the time of re-registration parents will be notified if their child is being invited to return to the school in September or if the child is not being invited back.

Release of Students (during school day)

The school has a sign-out book and an electronic sign-out system located in the front lobby of the school office. Occasions for the use of a sign-out are:

- student illness: the parent or an adult designated by the parent must come to the school and take the child. It is against the law to dismiss a child during school hours except into the direct custody of a parent, guardian, or an adult designated by the parent. If the parent cannot be contacted, the secretary will contact the name listed on the child's emergency contact slip. Emergency slips are completed in September and must be updated as necessary.
- liturgies and services: when altar servers leave the school, the students will sign out and in
- a student is released to a parent or guardian: that adult must sign the book
- a pre-arranged appointment: the parent, guardian, or approved adult must sign the book.

School Calendar

A tentative yearly calendar is distributed at the beginning of the school year. Please refer to the Monthly Calendar/Newsletter for any revisions to the yearly school calendar.

The Mid-Year and End-Year Examination schedule for Grades 3-8 will be sent to parents when dates have been finalized.

School Publications

All student or parental publications are subject to review by the school administration for approval prior to publication.

School's Right to Amend

Corpus Christi Holy Rosary School reserves the right to amend this handbook. Notice of amendments will be sent as necessary.

Security

To assure the security of the building and the safety of each child, the school strongly enforces its policy of requiring all visitors, even parents, to report to the office. To avoid interruption of the learning process, no one may enter a classroom without permission of the principal. The school has a crisis management manual and each classroom has a school emergencies resource flipbook.

Sex Offender Policy

This notice is to remind you of the importance of taking steps to keep your child safe when he or she is involved in outdoor activities, including traveling to and from school. The following are some safety tips that we hope you will share with your children:

- Students should never go home with strangers.
- Students should never talk to strangers.
- Students should never take things from strangers.
- If students are approached by strangers and are still near the school, they should be encouraged to return to the school and immediately inform a staff member.
- Young students should be escorted to and from school.
- Older children should be encouraged to walk/travel to school in groups whenever possible.

The teachers at our school will also remind students of the importance of not responding to strangers and actions each child should take if approached by a stranger, including reporting it to responsible adults.

In addition, over the course of the school year, we may receive from the New York City Police Department notification under the New York State Sex Offender Registration Act that a registered sex offender has moved into the region where our school is located. Copies of all the notifications we receive will be kept accessible to parents in the Principal's office. You can also find information about registered sex offenders on the NYS Division of Criminal Justice Services website, located at <http://www.criminaljustice.state.ny.us> -- or by calling 1-800-262-3257.

Finally, if our school is notified during the school year that a registered sex offender has moved within the vicinity of our school, further notice will be sent to you. These procedures are part of our continuing effort to provide a safe environment for all children in this school.

Smoking

New York State Law prohibits smoking in a school building and on school property. Smoking is prohibited at all times in the Corpus Christi Holy Rosary School building, on its parking lot and playing fields. This prohibition applies to faculty, staff, parents, and all visitors to the school.

Special Learning Needs

Students with learning differences are children of God and members of the Church. The school makes every effort to meet individual student needs by providing accommodations. Sometimes, however, a student may have needs that do not permit him or her to benefit fully from the program. In those cases, your child's teacher and/or principal may schedule a meeting with you to discuss having an evaluation of your child's learning needs. Such evaluations can be done through the local public school district – e.g. Committees on Special Education (CSE's) – or privately.

Once the results of the evaluation are available, parents/guardians are obligated to share educational/psychological testing results and any resulting plan with the school. The parent/guardian must make an appointment to meet with the principal to discuss the results of the evaluation and the recommendations, and provide a copy of the Individualized Education Services Plan (IESP).

If a student transfers in from a public school with an Individualized Education Plan (IEP), the parent/guardian must go back to the Committee on Special Education (CSE) to get an IESP.

When a student qualifies for a 504 Plan, the principal will meet with the parent/guardian to review and discuss the 504 Plan, and will then notify the parent of any reasonable accommodations or modifications that can or cannot be made at the school. If reasonable accommodations can be made, a Student Assistance Plan (SAP) will be written and a copy of the plan will be placed in the student's confidential file. The accommodation/modifications will be reviewed yearly. If the school cannot make reasonable accommodations, the school reserves the right to negate enrollment of the student.

Summer School

Since most summer schools offer reading, mathematics, and language arts, a student who has failed in one or more of these subjects in three marking periods of the report card will be required to take a remedial course during the summer. Summer school also may be recommended due to poor performance on standardized tests or in the classroom.

In May, a list of available summer schools in the archdiocese will be available upon request. Whenever the administration becomes aware of quality programs suited to the specific needs of a child, the principal or the assistant principal will notify the parent directly.

The summer school Report Card must be submitted to the office in September. Failure to attend summer school will result in retention. It is the parent's responsibility to provide documentation that summer school has been successfully completed. In cases in which tutoring is allowed for the remediation, it must be undertaken by a qualified teacher.

Telecommunications Policy (Please see Appendix)

Each student must sign and return the form. Parent signature is also required.

Use of School Grounds

Corpus Christi Holy Rosary School does not have staff available to supervise students present on the school grounds before 7:30AM and after 3:00 PM. Students must not arrive on the school grounds prior to 7:30AM and parents must arrange to pick up at dismissal times.

Withdrawals and Transfers

A transfer request must be obtained from the school secretary. All books must be returned. All bills must be paid before records are transferred to another school.

When a student transfers from one school to another, or enters high school, the new school may request a copy of the permanent record and health card from the former school.

Schools may disclose a student's cumulative record (i.e. permanent record, attendance record, test results) to another school with legitimate educational interest if a written request is made and when a custodial parent/guardian has given written permission for the release of the child's records.

Parent/guardian signature is required for release of a student's confidential file (i.e. special education records, psychological reports, disciplinary records, anecdotal information, or reports by the school counselor).

At the discretion of the principal, each school has the right not to certify the student's graduation or provide transcripts of the student's academic record to third parties such as other schools, colleges, or employers, or to issue a diploma to the student, if there has been a breach of a material condition of the contract (i.e., failure to meet financial obligations, infractions against the school's code of conduct).

Summary Statement

Once students have met the necessary admission requirements and have been accepted in the school, the school warmly welcomes these students for the coming school year and will strive to provide them with a solid Catholic spiritual and academic education in a supportive learning environment. Students and parents must always be mindful that attendance at the school is by invitation. It is not a "right" because this is a private school. Admission to and continued enrollment in this school include responsibilities regarding conduct, both inside and outside the classroom and school, and students are expected to conduct themselves in such a manner as to be a credit both to themselves and to their school.

In order to protect its standards of scholarship, discipline, and character, the school reserves the right, and students and parents or guardians concede to the school the right, to require the withdrawal of any student at any time, for any reason deemed sufficient in the sole discretion of the school and its administrators. By the student's attendance at the school, a student and his or her parents or guardians acknowledge the important obligations and restrictions contained in this Handbook and

agree to be bound by the terms of this Handbook.

Students attending the school relinquish certain rights they might otherwise be entitled to if they were attending a public school. For example, a student's freedom of speech is limited in many important respects here at our school. Speech, either written or oral, contrary to the Roman Catholic faith, the teachings of the church or the directives of the local Bishop or Ordinary is prohibited, as is any other speech which is contrary or disruptive to the philosophy and purposes of our school. Another important right all students at the school surrender involves searches and seizures. School administrators may search a student's person and belongings if there is a reasonable belief, in the sole opinion of the school administrator, that contraband, illegal substances or inappropriate objects are being concealed. Any unauthorized items found may be seized. Additionally, student desks and lockers, which are at all times under the joint control of the school and the student to whom the desk or locker has been assigned, may be searched by school administrators at any time, for any reason or for no reason at all. Students should have absolutely no expectation of privacy with regard to any item in their desks or lockers.

Another important right that a student and his or her parents or guardians give up when they decide to have a student attend this school is the right to sue the school, the parish, the Catholic School Region Corporation, or the Archdiocese of New York, and/or any individuals acting on behalf of the school, such as the school administrators, teachers, staff or any of their agents for any matter relating to academic or disciplinary decisions or other matters covered within this handbook. Each student and his or her parents or guardians, by their acceptance of enrollment at the school agree to and accept the school's rule and policy that students, parents and guardians may not bring any civil action in any local, state or federal court or in any administrative agency or body to challenge any school decision on academic or disciplinary matters, including any decision relating to the rules, regulations, procedures or programs covered within this handbook. Students and parents or guardians agree that any challenge to any school academic or disciplinary action or relating to the rules, regulations, procedures or programs covered in this handbook may only be challenged or appealed within the hierarchy of the school, subject to the limitations contained in this handbook. This includes any decision relating to a student's enrollment at the school or termination of that enrollment.

While any student and his or her parents or guardians are of course free to consult with legal counsel regarding any school decision taken with respect to a student, the school emphasizes that students and parents or guardians are not permitted to have legal counsel present during any meetings with school administrators. School administrators are not obligated to meet with legal counsel at any time.

There are several grounds for disciplinary action or expulsion set forth in the *Discipline Codes* section of this handbook. It should be noted, however, that any listing of prohibited conduct is set forth by way of example only and to provide guidance to the student and his or her parents or guardians. It is not meant to be an exhaustive listing of improper conduct or resultant disciplinary action.

Telecommunications Policy Student Expectations in Use of the Internet

The use of the Internet is a privilege, not a right, and inappropriate use or violation of any of the following standards will result in serious consequences and could result in expulsion from the school.

1. Use of the computer at school is limited to school related activities. Internet users are expected to behave responsibly in accessing and viewing information that is pertinent to the mission of the school.
2. Vandalism and other infractions of school policy while using the Internet will result in immediate cancellation of privileges along with disciplinary action.
3. After School/Home Access requires students to follow the same student expectations as stated in the “Discipline Code for Student Conduct” and “Harassment Policies” in the student handbook.
4. Students must abide by the generally accepted rules of network etiquette both inside and outside school.
5. Students are responsible for their explorations on the Internet and are subject to the consequences of the school’s discipline policy.
6. Students must sign a contract indicating their understanding and acceptance of the school’s guidelines (see Parent-Student Handbook).
7. Parents must give their permission for their child to use the Internet for educational purposes as an individual by signing the Contract Form once conditions are clearly understood. Parents also have the option of denying permission for their child to use the Internet independently at school
